3rd Culture Theatre presents

The award winning comedy by Yasmina Reza
30 March to 3 April 2011

“You paid 200,000 francs for *this* ...?” The friendship of Serge, Marc & Yan is unexpectedly tested when Serge buys a completely white painting that Marc loathes. But why does Marc loathe it? Is it because he hates contemporary art? Or is it because there’s just no way his good friend could have such bad taste.

Don’t miss this Tony-award winning play about art and friendship, and how the two sometimes don’t go together.
